Technical Data

RJ45 jack/jack CAT6

Series RONTRON-R-JUWEL

Rubric Mounting jack

Shape round

→ General Data

Illumination No

Protection class IP50 in combination with AK22RR(SW)

Operating temperature -20 ... 60 °C

Storage temperature -25 ... 80 °C

Mounting aperture Ø 22.3 mm

Front frame color Stainless steel, glossy

Connection RJ45 8/8

→ Mechanical Data

Tightening torque (fastening nut) max. 0.8 Nm

→ Note

- IP67 in combination with AK22RRSW

Technical Drawings

→ Cutout dimensions
