Technical data

Key switch, maintained

Type	RVASSA15E_GN
Series	RVA
Rubric	Key-operated switch
Approvals	CE, UKCA

→ General data

Design	Round
Operating temperature	-25 °C ... 70 °C
Panel cut-out	Ø 22.3 mm
Mounting plate thickness	1 mm ... 7 mm
Color actuator	Stainless steel
Front bezel colour	Stainless steel
Front ring colour	Green
Storage temperature	-40 °C ... 80 °C
Degree of protection front	IP65

➔ Mechanical data

Operating travel	90 °
Switching function	Latching function
Switching position	0° key removable 90° maintained, key removable

Note

- Includes 2 keys
- Different locking possible on request
