Socket

General Data

Type reference:	XA
Description:	Connector
Approvals:	CE, UKCA, UR
Connection type:	Faston terminals 2.8 x 0.8 mm
Max. storage temperature:	-50°C ... 85°C
Max. operating temperature:	-30°C ... 70°C

Utilisation category	B300 Q300
Rated insulation voltage Ui	300 V
Continuous thermal current	16 A

Additional data

Enclosure material:	PA 6.6
---------------------	--------

Note

Socket for simultaneous plugging all connections of a contact block (A.../B...), for up to 10 pins, can be equipped with Faston clamps FH2.8 with snap-in pin to latch it in to the connector.

Recommendation:

Schlegel Faston clamp FH2,8:	2.8 x 0.8 mm with snap-in pin
Cross section range:	0.75 - 1.50 mm ²
Material:	tin plated brass
