### Technical data

Key actuator, maintained

|           |                              |
|-----------|------------------------------|
| Type      | RQJSSA18                     |
| Series    | RONTRON-Q-JUWEL              |
| Rubric    | Key-operated switch          |
| Approvals | CCC, cCSAus, CE, cULus, UKCA |

### → General data

|                            |                  |
|----------------------------|------------------|
| Design                     | Rounded square   |
| Operating temperature      | -25 °C ... 70 °C |
| Panel cut-out              | Ø 22.3 mm        |
| Front bezel colour         | Silver-coloured  |
| Storage temperature        | -50 °C ... 85 °C |
| Degree of protection front | IP65             |

### → Electrical data

|                                          |                |
|------------------------------------------|----------------|
| Enclosure type<br>information acc. to UL | Type 4x indoor |
|------------------------------------------|----------------|

### → Mechanical data

|                              |                 |
|------------------------------|-----------------|
| Tightening torque fixing nut | max. 1.5 Nm     |
| Mounting position            | Any             |
| Mounting plate thickness     | 1.5 mm ... 5 mm |

Switching function

Latching function

Switching position

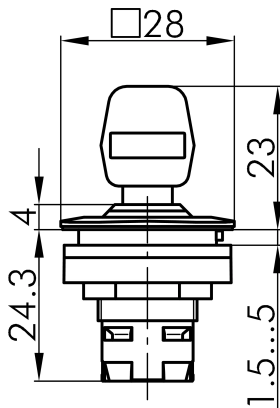

-45° key removable  
45° maintained, key removable

#### Note

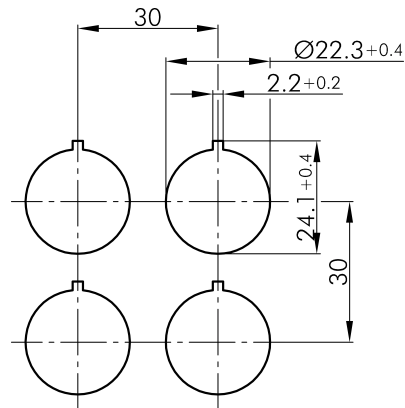

- Includes 2 keys
- Different locking possible on request
