

**SK35**

27.04.2017

**End clamp bracket**

**General Data**

Type Reference	SK35
Description	End clamp bracket
Approvals	CE, CSA, UKCA
Terminal type	End clamp bracket
Mounting method	screw fastening
Torque	0.8...1.0 Nm
Max. storage temperature	-40°C ... 80°C
Max. operating temperature	-30°C ... 40°C
Photo	

**Data acc. to IEC 60947-7-1**

Flammability class acc. to UL94	V2
Material group	I
Insulating material	PA 6.6

**General data**

Mounting screw	C 3.5 x 7.5 mm (self-tapping screw, galvanised)
----------------	---

**Note**

used as a fixing bracket at the end of a row of terminal blocks, fits on:  
N35-2, N35L-2, N35L-2\_15MM
