|------------------------|---------------------------------|
| Category: | Quick-assembly terminal blocks |
| Series: | Fixblock |
| Connection type: | screw connection, slotted screw |
| Tightening torque: | 0.8 Nm |
| Operating temperature: | -30°C ... 40°C |
| Terminal width: | 6 mm |
| Thread size: | M3 |
| Storage temperature: | -40°C ... 80°C |
| Mounting method: | top hat rail N35, EN60715 TH35 |
| Rated cross section: | 4 mm ² |
| solid: | 0.5 ... 6 mm ² |
| multiple wire: | 0.5 ... 4 mm ² |
| Rated voltage: | 750 V |
| Rated current: | 32 A |
