

### Equipped insulated plastic enclosure with 2 pushbuttons IRF2

Description:	fastening holes: Ø 4.2mm
Category:	Equipped insulated plastic enclosures
Series:	IRF
Protection class:	II (protective insulation)
Degree of protection:	IP65
Switching function:	momentary action
Travel:	6 mm
Illumination:	no
With labelling option:	no
Contact equipment:	1 NC + 1 NO (per switching point)
Connection type:	screw connection 2x 2.5 mm <sup>2</sup>
Colour	light-grey
Mounting holes:	2
Positive opening:	acc. to EN60947-5-1, appendix K
Contact material:	AgNi
Operating temperature:	-40°C ... 60°C
Material:	ABS
Weight:	171 g
Cable entry:	on the top/bottom: Ø 21 mm / Ø 21 mm on the side/back: Ø 21 mm / Ø 19 mm
Electrical life:	switching cycles: 1 million at 250 V/10(6) A 250,000 at 250 V/16(10) A 500,000 at 250 V/5 A (AC15)
Mechanical life:	1 million switching cycles
Storage temperature:	-40°C ... 70°C
Equipped:	yes
